

print and marketing... made better

Managing print production, distribution, and marketing initiatives is complicated.

Rely on The Scan Group's team and technology solutions to make it all work smoothly.

For more information visit: ScanGroup.net

print

We'll keep your business running smoothly with quality print...done right and on-time.

Your brand deserves a print partner with a flexible combination of modern equipment and production expertise, all driven by an unwavering commitment to your success. Whether you need brochures, booklets, sell sheets, direct mail, POP or signage, our print production team will deliver!

"I really appreciate working with a vendor who takes PRIDE in their service!"

Our print capabilities and services include:

- Color Litho Printing
- Digital Printing
- Variable Data Printing
- Flexo Pre-Press
- Finishing and Mailing Services
- On-Demand
- Wide Format Printing
- Custom Cutting
- Packaging and Prototypes

You gain cost control and time savings while successfully reaching more customers.

marketing

We can help you reach more customers more efficiently and effectively.

Successful marketing demands distinctive creative, production, and technology – all working together to promote your goals. Our knowledgeable marketing team works in tandem with our technology and production teams to smoothly integrate all elements of your campaign.

"I appreciate how EASY it is to work with you and how much time you save me!"

Our complete marketing services include:

- Digital Shelf Management
- Graphic Design
- Web Design
- Illustration
- Direct Marketing
- Online Marketing
- Mobile Marketing
- Photography
- 3D Visualization

You gain a reliable partner, dedicated to your product and the success of your brand.

technology

We'll help you succeed with technology that makes everything work together seamlessly.

We believe that technology solutions are most valuable when they are both powerful and effortless for our clients. At The Scan Group, we use our patent pending technology to make things easy for you, driving it all through our powerful production mix.

*"It is truly your people,
behind the scenes, that make
us LOOK GOOD!"*

Our advanced technology services include:

- Web-to-Print Portals
- Cross-Channel Marketing
- Digital Asset Management
- Event Registration Systems
- Custom Development Solutions
- Interactive Media
- Data Capture
- eCommerce

You gain speed-to-market, the convenience of 24/7 reporting, and cost savings.

our powerful technology... drives success

When the Scan Group began in 1983, we led the way with trail-blazing digital retouching and production.

We continue to push the envelope, using cutting-edge technology to solve our client's evolving needs. Today, every new idea or challenge is an opportunity to expand our expertise as a complete source for all your design, marketing, printing, and electronic media needs. We are relentlessly focused on using our knowledge and technology to ensure the success of each customer... each PARTNER.

Whatever your needs – one piece of the equation or a start-to-finish solution – we're here for you.

-  **cost control**
-  **brand control**
-  **flexible distribution**
-  **24/7 convenience**
